EARTH  
DAY

# PRE-SCHOOL, PRIMARY AND SECONDARY

## Building a Tipi

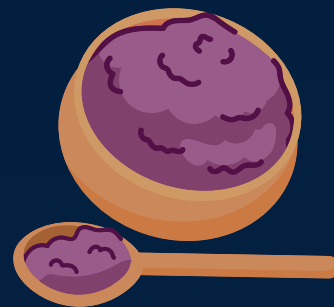

What a lovely April!

4/5

Creating herbal salt

# SECONDARY

Our Secondary students made very tasty 'Focaccia' in their cooking lesson. Well done!

THANK YOU  
😊

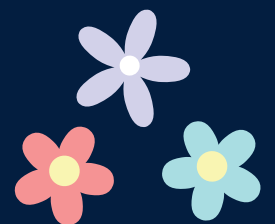

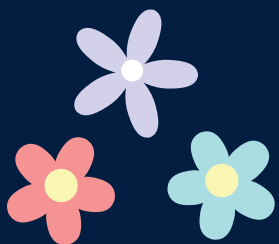

What happened in April:  
From putting in the cress to putting in the  
beans - everything took  
place in pre-school!  
The children learned about the plant cycle  
with a lot of enthusiasm and fun!

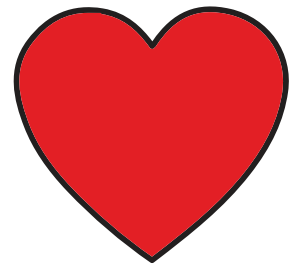

Spring

In April we started busily preparing for Mother's Day.  
We wish all mums a happy Mother's Day

Happy  
Mother's  
Day

GOOD  
LUCK!

We had a great time with our intern Daniela  
from Stenden University.  
We wish Daniela all the best!

We learned what herbs there are and how to use them. We also took a closer look at the growth phase of the dandelion.

Such an exciting month and what there is to discover!

We don't teach classes at Foxhill,  
we teach children.

## AFTER school

In the afternoon care, we undertook great March projects with the children as you can see here.  
(Gardening, salt dough project, etc...)
