OUTING TO CALOVINI'S

At the end of last month we had a perfect day at Calovini's Garden Nursery. We looked around at the wonderful flowers, we learnt about the different types of helpful and unhelpful bugs and we made our own floral decorations. We LOVED this visit and we are so grateful to the Calovini family for hosting us. Thank you!

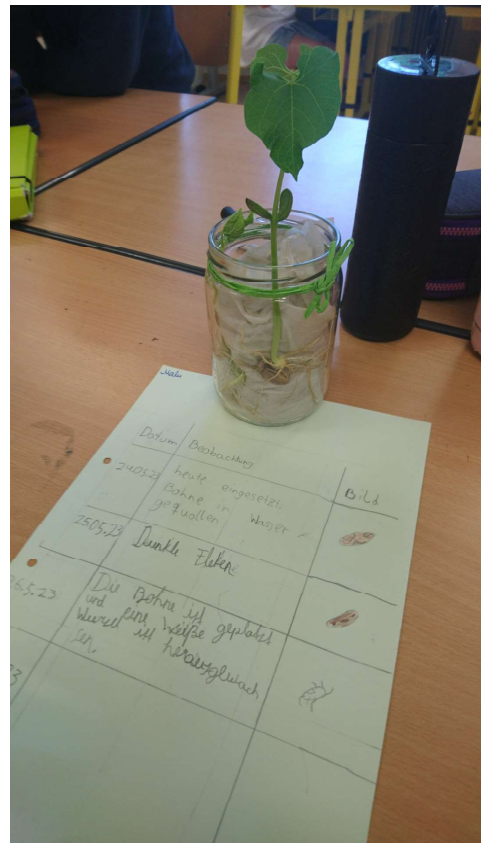

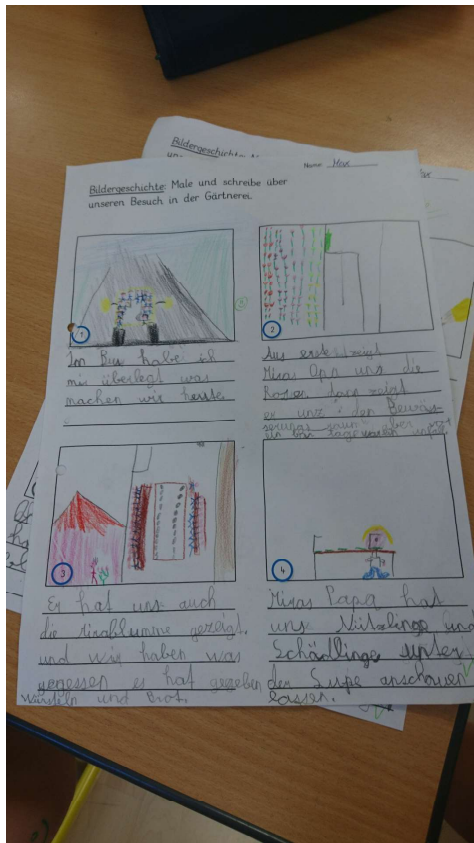

GROWING BEANS PROJECT

As a part of our preparations for visiting the Calvin's we grew beans and kept a diary about the growth. The children were really excited to see how fast the beans grew and ran into the classroom every day to check on them.

We don't teach classes at Foxhill, we teach children.

ART AT FOXHILL

We love art here at Foxhill and this month we really enjoyed using canvases and masking tape to make colourful abstract pictures. Then we took advantage of the good weather and investigated using water colours and leaves to make art outside.

As you can see we are all very relaxed.

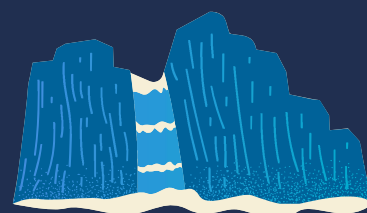

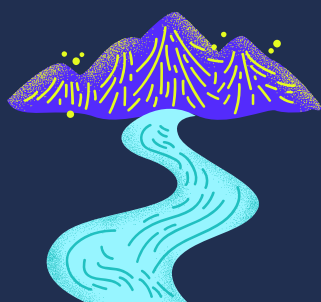

PRE SCHOOL

June turned out to be a surprisingly busy month in the kindergarten. From learning with Avomed to visiting an alpaca farm, we kept everybody on their toes.

WE DIVED INTO THE WORLD OF WATER WITH AVOMED, DISCOVERING THAT WATER IS EVERYWHERE AND WHY OUR BODIES NEED IT.

Foxhill Newsletter - June 2023

Father's Day caused us to talk about our dads a lot and we learnt a song and had fun making crafts.

. We are finishing the month of June busying ourselves with the subject of bees, which will also be a theme of our Summer Party. In this vein, we would like to thank you all for your support. It was a pleasure for us to celebrate the end of an exciting year with you!

PRE-SCHOOL

WELCOME NEW ONES

We would like to extend a heartfelt welcome to Lena and Laura who have just joined the Foxhill Family. We look forward to many lovely experiences together.
