### CHRISTMAS TIME IN PRE-SCHOOL

During the Advent season, there was a buzz of activity in the kindergarten. Each week, we celebrated the lighting of the next candle on the Advent wreath, set the festive mood through collective singing, and delved into our understanding of the traditions surrounding this special time. On December 7th, even St. Nicholas paid us a visit. Prior to his arrival, we delved into the unique attire of St. Nicholas, crafted our own Santa hats, and rehearsed a special song, "Let's be happy and cheerful," in anticipation of his presence.

The highlight was a festive Christmas Show where we presented Christmas carols and performed a play for our Foxhill Pre-school families.

We extend our wishes to everyone for a wonderful Christmas season with their loved ones and wish you a happy 2024!

## AFTER SCHOOL CLUB

The children in the AFC have been incredibly productive. They enthusiastically crafted their own Christmas ornaments using air dry clay. They had a great time using different cookie cutter shapes to create unique decorations for the Christmas tree. A few children even used wire star frames to design their own bead ornaments, which turned out stunningly beautiful! And some children were excited to make personalised bookmarks as 'give away presents' for their loved ones.

## PRIMARY SCHOOL

December has been all about snow and Christmas. Our advent calendar is nearing the end. We've had a lot of fun opening the doors on it and finding out what our elf names are! We are busy making Christmas paintings and cards. We have decorated the school with giant snowmen, snow globes and Santa faces. We have read and written stories and poems and we are looking forward to welcoming the parents to a performance of our work.

We also enjoyed the brief time with the snow. The children had tremendous fun building snow cats, lions and snowmen. We are hoping for more snow for the next year and for your ski-week in January.

We had a visit from more than 20 international teacher trainees, who prepared and delivered some wonderful lessons on music, art and P.E. We are looking forward to working with the PHT teacher trainees again in the new year.

We wish everyone a very merry Christmas and a happy New Year.

## SECONDARY SCHOOL

The Secondary School also wishes everyone a Merry Christmas and a Happy New Year!
