CARNIVAL AT FOXHILL

This year, we created a magical Carnival festival at Foxhill, filled with laughter, colour, and pure joy.

From fun social games and amazing dance tunes to delicious treats and drinks there was something for everyone to enjoy.

The children (and teachers!) dressed up in their most cheerful and creative outfits.

We celebrated the spirit of unity, friendship, and the vibrant diversity that makes our School truly special.

All of us created lasting memories and strengthened the bonds that make our Foxhill community so extraordinary!

OF YOU!**

**We successfully concluded the first half
of the year on a high note here at Foxhill!**

PRIMARY and SECONDARY

Pancake Day, also known as Shrove Tuesday, marks the traditional feast day preceding the commencement of Lent.

It served as a final opportunity for indulgence before the 40 days of fasting, presenting a chance to consume ingredients prohibited during Lent, such as eggs, fat, and milk.

Also the Primary School students learned how to make "quarkenkrapfen" which is another popular sweet dish at carnival time.

Our Secondary students created delicious pancakes, adorned with raspberries, blueberries and a touch of chocolate spread

Impressions from the Carnival Celebration of Pre-School and Secondary School

Some fun Facts about Fasching "Carnival":

In Austria, Fasching is a time to have fun before Lent begins. During Fasching, the "fool" ("Narr" in German) is celebrated.

In the middle ages, Fasching was a time for the common people to express themselves and even "talk back" to their rulers.

“Das kleine Wir” PRE-SCHOOL Project/ University of Stenden Intern Joins the Foxhill Preschool Team!

Currently we are discussing a special book with our preschool children: "Das kleine WIR" ("The little WE") by Daniela Kunkel.

What does "das kleine WIR" convey?

The book conveys the importance of "WE" in life. This starts with very young children and continues throughout our entire lives.

This story encourages children to think about the following questions:

How do I become part of a community?

What is special about my Preschool group?

And what helps when I feel lonely?

Since February 19, 2024, Mrs. Daniela Dłuna from the University of Stenden (Netherlands) has been interning with our Preschool Team, enhancing the daily operations

(Monday-Friday) at Foxhill Preschool.

We're confident her three-month internship will provide valuable experience, and we appreciate her dedicated support to our Foxhill team!

Preschoolers are crafting a large poster featuring the story's protagonist.

We don't teach classes at Foxhill,
we teach children.

VALENTINES DAY AND FOXCLUB

Valentinesday is an opportunity to express how much you care for a person and to tell them what they mean to you.

The children created their own Valentinesday cards with great enthusiasm with the following message:

*Happy Valentines Day!
Thank you for being you!
I Love you always.*
